Pastor,

We are so blessed to have members of your congregation attending Cornerstone Christian School! We aim to partner with their family and your church to help our students “develop a heart for God, who grow as Jesus did...in wisdom and stature and in favor with God and man.” God has been so faithful in helping us pour into the lives of thousands of students, and our enrollment continues to grow!

I am sure you are fully aware of the importance of our families having the option of a private Christian education in our community. Since we are an independent private school, we receive no federal or state funding support. Our teachers are paid less than half their public school counterparts, and we diligently try to keep our tuition rates affordable for our hard-working families. Therefore, we depend on the generosity of people and organizations like yours to continue the ministry and mission of this school.

On March 15, 2025, Cornerstone will have its annual Banquet Fundraiser!

Would you consider being a local church sponsor? If you choose to do so, we ask:

1. You pray for our school, faculty, staff, and students
2. You consider donating \$250.00 or more (When you do this, the name of your church and your student(s) will be listed in the banquet brochure and on a video played during the evening.)

Thank you for your prayers and support,

Mark Huff
