## **Welcome to Cornerstone Christian School!**

We are excited that you have chosen Cornerstone as the school for your child. We consider it a great privilege to provide Christian-based learning to our community.

From its founding in 1992, CCS has lived up to its name in excellence. As a school, we are committed to equipping your children with academic skills and a knowledge base that prepares them for post-secondary education. The quality of our curriculum is attested by our yearly test scores and the academic performance of students after graduating or moving on from our school. We are overseen by the Association of Christian Schools International (ACSI).

CCS is a nondenominational, independent ministry and is not affiliated with any church. We seek to serve families in the London and Corbin area and surrounding communities, working cooperatively with many evangelical churches. With them, our mission is to support and assist parents in fulfilling their God-given responsibility to bring up their children “in training and instruction of the Lord” (Ephesians 6:4).

Every aspect of our school life is characterized and controlled by the fact that we are a Christian school. Scholastically, it means that the Bible will be a foundational textbook for every subject. It is the source of TRUTH revealed by God that supersedes truth discoverable by human understanding alone. Relationally, it means that students will be guided toward a personal faith in Jesus Christ as Savior, Friend, and Lord. It is a relationship that bonds faculty, students, and parents as a member of a single body (Romans 12:5). Vocationally, it means that children will be encouraged to seek and follow God’s unique plan for their lives, the purpose for which He wisely and lovingly created and gifted them. Morally and ethically, it commits the CCS community to a distinctive lifestyle, “blameless and pure...in a crooked and depraved generation” (Philippians 2:15).

This is Cornerstone Christian School, a community of people committed to linking the influences of home, church, and school to produce young people who think and live biblically. We thank you, parents, for entrusting your children’s education to us, and we pledge the full use of our resources, including the resources of prayer, that each one may grow “in wisdom and stature, and in favor with God and men” (Luke 2:52).

As partners with us in this educational enterprise, we urge you to watch for and participate in the frequent occasions when your presence, counsel, time, energy, and yes, your money, will, with the participation of many others, enable us to advance the quality educational program at CCS. Above all, we will count your family as regular partners with us in prayer throughout this school year.

## **INTRODUCTION**

The primary purpose of Cornerstone Christian School is to provide an excellent education for children of all ages and backgrounds, and to impart the immeasurable love of Jesus Christ to each of these children. Students will participate in Bible study daily and will be expected to do Bible memory work. We teach the Biblical doctrines of self-discipline, respect for those in authority, obedience to law, and love for flag and country.

### **I. Mission Statement**

Cornerstone Christian School's mission is to develop students with a heart for God, who grow as Jesus did "...in wisdom and in stature and in favor with God and man" (Luke 2:52)

### **II. Organization**

#### **Governing Board**

Cornerstone Christian School is governed by a Board of Directors, which is made up of ten members who are elected to four-year terms. The board holds business meetings on the second Tuesday of each month. Parents are welcome to attend business meetings and voice their concerns on any topic. Parents and/or staff members must request to be on the agenda one week in advance of the board meeting. This request should be given to the principal and/or the Chairman of the Board. The Board of Directors serves without compensation of any kind. Legal responsibility is vested in the Board of Directors, which is the policy-forming body of the institution. The responsibilities of the Board of Directors include the election and appointment of the administrative staff, promotion of the school's interests, securing funds adequate for excellent and expanding programs, and stewards of funds, property, and equipment. The Board has the authority to determine the rules and regulations governing the school.

The Board is made up primarily of parents of students and members of Souls Harbor church due to the school using the church facilities.

### **III. Affiliation**

CCS is accredited by ACSI (Association of Christian Schools International) and is certified through the state of Kentucky by the Kentucky Non-Public Schools Commission.

## IV. Statement of Faith

1. We believe the whole Bible to be the inspired, infallible, authoritative, inerrant Word of God. (II Timothy 3:15, II Peter 1:21)
2. We believe there is one God, Creator of all things, eternally existent in three persons - Father, Son, and Holy Spirit. (Genesis 1:1, Deut. 6:4, John 1:1-3, ch10:30, Heb. 1:3)
3. We believe: In the deity of Christ (John 10:33), His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35), His sinless life (Hebrews 4:15, Hebrews 7:26), His miracles (John 2:11), His vicarious and atoning death (I Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His resurrection (John 11:25, I Corinthians 15:4), His ascension to the right hand of the Father (Mark 16:19), His personal return in power and glory (Acts 1:11, Revelation 19:11)
4. We believe in the absolute necessity of regeneration by the Holy Spirit for salvation, because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace and through faith alone we are saved. (John 3:16, John 5:25, Romans 3:23, Romans 5:8-10, Ephesians 2:8-10, Titus 3:5)
5. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation. (John 5:28-29)
6. We believe in the spiritual unity of believers in our Lord Jesus Christ. (Romans 8:9, I Corinthians 12:12-13, Galatians 3:26-28)
7. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a Godly life. (Romans 8:13-14, I Corinthians 3:16, I Corinthians 6:19-20, Ephesians 4:30, Ephesians 5:18)

## V. Philosophy of Education Statement

The educational philosophy of Cornerstone Christian School is based first upon the fact that the Holy Bible is the only inspired, infallible, authoritative Word of God. It is our desire that all knowledge imparted to our students be based on and judged by scripture. As our students become versed in scripture and the precepts of God's Word, it is our goal that each one comes into a saving knowledge of Jesus Christ through His free gift of salvation. Cornerstone believes that only through salvation can our students be openly led into the educational knowledge and spiritual discernment that will allow them to become true disciples of Jesus Christ, and thus discern His ultimate will for their life of service to Him.

*"But when He, the Spirit of Truth, comes, He will guide you into all truth. He will not speak on His own; He will speak only what He hears, and He will tell you what is yet to come."* John 16:13 (NIV)

As our students grow in the faith and knowledge of our Lord Jesus Christ, it is our desire that, through the joining together of their intellectual and spiritual knowledge, they will be able to fulfill the great commission as stated in the Gospel of Matthew:

*“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit; Teaching them to observe all things whatsoever I have commanded you.” Matthew 28:19-20a (KJV)*

Our responsibility to our students also extends to the areas of social development and character training, as stated in I Timothy 4:12:

*“Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity.” (KJV)*

## **VI. Christian School Goals/Expected Student Outcomes**

The Primary purpose of Cornerstone Christian School is to provide an excellent education for children of all ages and backgrounds and to impart to each of these children the immeasurable love of Jesus Christ. Students will participate in Bible study daily and will be expected to do Bible memory work. We teach the Biblical doctrines of self-discipline, respect for those in authority, obedience to the law and love for the flag and country.

CCS provides an environment where students can acquire the ABCs for a Godly life.

**A**ccept Christ as Lord of their lives.

**B**e the salt and light in their communities.

**C**ommit their lives to the service of the one true God.

Cornerstone Christian School believes that only through ministering to the whole child—mind, body, and spirit—can we then train true witnesses to the community. It is our desire that our ministry will be to families locally through our students and ultimately to the entire world. In order to accomplish this task, we have divided our goals into four areas of training: spiritual, educational, social, and physical. We desire the following outcomes:

### **A. Spiritual Outcomes**

1. The students will understand that the Bible is the inspired and the only infallible, authoritative Word of God (II Timothy 3:15-17).
2. The students will understand and commit to a personal relationship with Jesus Christ (Romans 10:9).
3. The students will know, understand, and apply God's word in their daily lives (Romans 12:1-2)
4. The students will develop the mind of Christ towards Godliness through Bible memorization and the development of intensive Bible study skills (I Timothy 4:7, II Timothy 2:3-7, Psalm 119:11, II Timothy 2:15).
5. The students will personally respond to and carry out the Great Commission locally and around the world in a culturally sensitive manner (Matthew 28:18-20).

6. The students will respect God's authority and His authority structure, as demonstrated through the lives of parents, teachers, and staff (Ephesians 6:1-3).

## **B. Educational Outcomes**

1. To promote high academic standards within the potential of the individual as uniquely created by God and to help the student realize their full academic potential (Psalm 139:14).
2. Students will develop self-discipline and learn to take responsibility for their own life and actions (Proverbs 16:32, Romans 12:3).
3. Students will develop a Christian worldview by learning to discern all knowledge, thought, and action from a Biblical perspective (II Peter 1:3).
4. Students will develop good study skills, thus becoming students who desire true excellence (II Timothy 2:3-7).
5. Students will know, understand, and apply God's word in daily life (Hebrews 4:15).
6. Students will develop a Biblical understanding of the history of the world through the eyes of God and how our nation fits into God's plan for His church (Luke 7:15).

## **C. Social Outcomes**

1. Students will develop a positive self-image as one who is created in the image of God (Ephesians 5:21).
2. Students will be taught to treat everyone with love and respect since they, too, are made in God's image.
3. Students will develop Biblical skills for a Christ-like personal and social life (Psalm 119:9-16).
4. Students will have a critical appreciation of the languages and cultures of other people, dispelling prejudice, promoting inter-ethnic harmony, and encouraging Biblical hospitality for the alien and stranger (I Corinthians 12:12).

## **D. Physical Outcomes**

1. Each student will respect his or her body as the "Temple of the Holy Spirit" (I Corinthians 6:19-20).
2. Students will understand that, through salvation, our bodies are to become a living sacrifice for God (Romans 12:1).
3. Students will have respect for all human life as being "fearfully and wonderfully" created by the almighty God (Psalm 139:14).
4. Students will be prepared to practice the principles of healthy, moral family living (Ephesians 6:1-3).

## **VII. Admission Guidelines and Information**

### **A. Non-discriminatory Policy**

CCS admits students of any race, national or ethnic origin to all the rights, privileges, programs, and activities made available to students at the school. CCS also does not discriminate in the hiring of faculty or staff.

### **B. Evangelism of Students**

The plan of salvation will be presented to every student, with opportunities for each student to accept Jesus Christ as Lord and Savior. Furthermore, each subject area shall present the Biblical perspective as truth with all other knowledge as theory. Each concept or fact presented as truth will then be critically measured against the Bible, which is the ultimate source of all truth.

### **C. New Student Admission and Enrollment**

The process of new student enrollment at Cornerstone will include the following:

1. Submission of properly completed Application for Admission Forms and Registration Fee.
2. Board-approved placement tests are given to every new student, entering first grade or above, in math and reading to ensure placement at the proper grade/activity level.
3. Parent/student interview with the principal to ensure:
  - a. Parents desire a Christian education for their children.
  - b. Parents have read, understand, and have signed the Statement of Faith.
  - c. Parents have read the Parent-Student Handbook and are in agreement with it.
  - d. Parents agree to place their child under the authority structure of Cornerstone and support Cornerstone in prayer, conversation, and action.
4. High school students must submit a complete transcript prior to being enrolled.

## **D. Admissions Review Criteria**

### **I. Acceptable**

a. Our ministry to students is greatly enhanced when the family is under the authority of a local church. Therefore, we encourage all our families to be active members of a local congregation. By applying to CCS, you are certifying that at least one adult family member in the home is submitting to the lordship of Jesus Christ and faithfully and regularly attending a local church.

b. Parents and students agree to place themselves under the authority of Cornerstone Christian School by signing the Student and Parent Handbook and Statement of Faith.

c. The principal feels that the student can best be served by the academic program at Cornerstone.

d. Each new student will be considered “probationary” during the first semester. The student’s progress will be evaluated after 9 weeks and again at the end of the first semester by the faculty and principal. The academic effort, attitudes, and conduct consistent with the standards of CCS are required for continued enrollment.

e. The student must function with a “C” average or better in the areas of math and reading or not more than one grade level behind those students of the same chronological age who are already enrolled at Cornerstone. For any students functioning below this level in math or reading, acceptance will be conditional upon an agreement to participate in a recommended tutoring program to bring the student up to grade level.

f. The student may be asked to go back one grade level if it is determined that he/she can best be served at that level.

g. Each student’s progress will be evaluated yearly by the principal and teacher.

h. The parents must accept the grade level recommended by the principal and teacher. This is in compliance with Kentucky State Regulations.

The school is intended to function in a manner that meets all student learning needs. While we love all children, we are not equipped with staff or programs to meet all student learning needs. Any exceptions to these guidelines will be examined and approved by the principal and the Board of Directors.

## **II. Unacceptable**

- a. Refusal of parents or students to place themselves under the authority of Cornerstone Christian School's Philosophy and Statement of Faith.
- b. Determination through testing or previous academic record that Cornerstone's academic program will not best serve the student.
- c. Through formal testing, it is determined that the student is functioning two grade levels below his/her age-mates in math or reading.
- d. When the disciplinary history from the former school(s) is unacceptable.
- e. When parents refuse to accept the grade level recommended by the principal and teacher.

## **E. Documentation Required for Admission**

Immunization/Birth Certificates/Social Security Card/Emergency Information Card

High school students must submit a complete transcript prior to being enrolled.

Kentucky State Law requires that the following be on file in the school office by the first day of school for each student. If not, the student will not be permitted to begin school:

- Original Up-to-Date Immunization Certificate - Can be obtained from a pediatrician or local health department
- Copy of legal Birth Certificate - Can be requested online at <http://chfs.ky.gov/dph/vital/birthcert.htm>. Wallet-size or unofficial hospital certificates not acceptable.
- Copy of Social Security Card - Can be obtained by Social Security Administration, 614 Master Street, Corbin, KY, or call 1-800-772-1213.
- Emergency Information card - Can be obtained from the school office.
- Authorization to Consent to Medical Treatment - Can be obtained from the school office.

## **F. Continuing Enrollment Priorities**

A Pre-Registration period prior to open enrollment will be held for current students and their siblings. During this time, current students and their siblings must complete an Application for Continued Admission form. These are to be turned into the office before the end of the pre-registration period, along with the registration fee, which is non-refundable. Current students who have had academic, attendance, or behavioral issues will be considered on a case-by-case basis for re-enrollment.

All accounts must be up to date before current student re-enrollment or sibling enrollment is accepted unless other arrangements have been made through the Business office.

Following this pre-registration period, new students will be registered, and enrollment will be at the discretion of the Principal and/or the Board of Directors based on (but not limited to) the following factors: Student's previous academic record, behavior, and discipline history, parent's/student's representation in the community (including social media) and the date in which application was received. CCS requires current students and parents to uphold a Godly lifestyle, and as such, we expect the same from prospective students and parents. These factors will aid CCS in continuing to uphold a Christian atmosphere for all of our students. New students will receive a phone call to notify them of their being accepted into CCS.

### **G. Retaining Student Seat**

Payment of the Book and Materials fee guarantees your child's seat. To retain a seat in the returning class, payment must be made according to the schedule listed in the Financial Guidelines section.

### **H. Withdrawal Procedure**

If a student withdraws during the course of the year, it is the parent's responsibility to complete the standard withdrawal procedure through the school office. It is preferable that parents notify the school at least one month in advance. Parents will be responsible for paying tuition through the current month of the withdrawal. The withdrawal procedure will be complete, and records will be forwarded to the new school when a parent has signed the withdrawal form, cleared outstanding debts, and returned all library material and textbooks.

## **I. Specific Grade Requirements for Admission**

All students are admitted to Cornerstone Christian School on nine (18) weeks' probation. Students seeking admission to Cornerstone Christian School must have the current year testing on file before being officially accepted if no acceptable testing has been arranged:

1. Kindergarten – Prospective students shall be five years old by August 1<sup>st</sup>.

### **C. Enrollment**

During the enrollment period, if a class is filled, the student will be put on a waiting list in the event that a second class is open. Families on the waiting list do not pay the Registration Fee or Book & Materials Fee until acceptance.

Families seeking assistance should complete an application form, which is available online. Tuition assistance is available to those who demonstrate actual need without regard to nationality, gender, race, color, or ethnic origin. It is important to apply early as limited funds are available. Returning families and staff will receive priority if the application is received by June 1st.

All students receiving Tuition Assistance must maintain good academic standing, at the discretion of the teacher(s) and principal, as well as good behavior and attendance.

## **G. Contributions and Gifts**

### **1. Financial Contributions:**

CCS, like most Christian schools, is greatly dependent upon financial contributions. As a non-profit organization, all cash donations to CCS are fully tax deductible. The Business Office will record these gifts and provide you with an end-of-year statement. Contributions are greatly needed and appreciated.

### **2. In-Kind Gifts:**

Non-cash contributions such as library books, computers, equipment, supplies, auction items, etc., are a tremendous help to the school in providing for our needs and helping to stretch the budget. These gifts are tax-deductible. The Business Office will provide a tax receipt e upon request.

## **IX. ATTENDANCE / TARDY POLICIES**

Attendance at school provides a student with classroom experience. This experience is composed of participation in class activities and direct instruction conducted by the classroom teacher. The instructional program designed by each teacher is a progressive and sequential experience. It is generally impossible for that experience to be “made up,” and every absence represents a loss to the student as well as extra work for the teacher. 6<sup>th</sup>-12<sup>th</sup> grade students who accumulate more than 10 unexcused absences in a class for the semester shall lose credit for that semester. K5-5<sup>th</sup> grade students who accumulate 10 unexcused absences in a class for the year shall lose credit for that year. Absences for school-sponsored activities are exempt. This policy will be applied to each class separately. Additionally, if a student misses more than 15% of the school year (or 25 days total) after enrollment begins (or for a specific course/class), excused or unexcused absences, with or without a doctor’s note, they may not be allowed to promote to the next grade level or earn a satisfactorily passing grade in a given class. Extenuating circumstances and exceptions may be approved/considered by the principal.

### **Excused Absences**

CCS recognizes (3) three reasons for excused absences:

- Illness or injury such that attendance would risk further impairment
- Medical or dental appointments (when possible, preventive and orthodontic appointments should be made for times when school is not in session).
- Attendance at a funeral.

Any absence greater than two (2) school days will require a physician’s note. Two (2) days or less - a Parent note is required for each day missed. A total of 10 Parent excuses

can be used in a school year. After a Parent has used 10 excuses, a Physician's note will be required.

Students should be kept at home by their parents/guardians when sickness is accompanied by a fever and should not return to school until they are fever and/symptom-free for 24 hours.

### **A. University/College visits days**

1. Students in their Junior year are allowed 4 days – must bring in a valid paper from University or College stating the student was there on those specific days.
2. Students in their Senior year are allowed 4 days– must bring in a valid paper from University or College stating the student was there on those specific days.

### **B. Educational Trips**

1. All trips must be validated ahead of time with the Principal.
2. If you are planning a trip, the Principal must validate/approve the trip at least one (1) week in advance if the child is to receive excused absences
3. There is a one (1) week (5 school days) maximum for excused absences.
4. Request must be made in writing to the Principal
5. Any exceptions must have prior approval from the Principal.
6. The student must do a report or class presentation (teacher's choice) on the first day back in class.

### **Reporting Back to School After an Absence:**

When returning back to school after an absence, the student must bring a written note signed by a parent or guardian stating the reason for and the date(s) of the absence. The note is to be brought to the school office upon his/her return to school early enough that the student can be in his/her homeroom for the beginning of school. (The determination of the legitimacy of an absence rests with the principal.)

If a student leaves campus for a medical/dental appointment, he/she must return with a note from the doctor/dentist's office stating the date and time of the appointment. If a student misses part of a day that is excused, he/she is responsible for turning in work for the class period missed on that day. This also applies to taking tests and quizzes. A one-day grace period is permitted if the excuse is not presented the day of returning to school.

## **Make-Up Work for Excused Absence:**

- Absences due to personal illness or medical appointments, which could not be scheduled after school, or death in the family are excused absences. Make-up work with credit will be given.
- Students are responsible for turning in all assignments missed because of absence from class. This requirement also applies when students are in school, but miss class, because of special activity. The student should confer with his/her teacher and clearly understand the due date of each assignment.
- The student has the same number of days to make up an assignment as the number of days he/she was absent (i.e., absent 3 days, 3 school days to make up.) If a student's work was clearly assigned before the absence, the student should be prepared to turn in/take tests the day he/she returns. It is the student's responsibility to make up for missed work.

## **Unexcused Absences**

- Extended absences without a written doctor's excuse.
- An absence due to a social or pleasure visit.
- Suspension from school.
- After a student has missed 5 unexcused accumulated days during the year, the teacher will notify the principal. The principal will notify the parents by mail or phone of the number of days missed.
- After the student has missed 8 unexcused accumulated days, the principal will notify the CCS Board of Directors and schedule a conference with the parents.
- No student will be given credit for any grade level if 10 or more unexcused, accumulated days are missed during the year, except by recommendation of the principal to the school board.
- Missed work or tests assigned during an unexcused absence may not be made up.

\*We do not condone absence from school for a vacation of any kind. If the parent *chooses* to have the child miss the regular school sessions for this reason, the absences will be unexcused.

## **Tardiness**

Being on time daily is an integral part of a good education. We realize this punctuality is, to a large extent, the responsibility of the parent who provides transportation for his/her children. We strongly urge you to plan your morning schedule so that your children will be here before their class begins.

Students may be excused for up to 10 tardies if a parent or Doctors note is provided to the school Tardy students must check in at the office. If the teacher reports excessive tardiness, the principal will contact the parent with unexcused the possibility of further discipline for the child. If a student receives five (5) unexcused tardies and/or is picked up early from school during the year, the student will not be eligible for end-of-the-year perfect attendance awards. Five (5) unexcused tardies/early pick-ups are equivalent to one absence.

### **Early Dismissal Policy**

Unless prior arrangements have been made through the office, we ask that you not pick up your child before their dismissal time. All students checking out before their dismissal time *must be signed out* through the school office. If a student receives five unexcused (5) early dismissals and/or tardies during the year, the student will not be eligible for end-of-the-year perfect attendance awards. Only the person(s), as listed on the student's "*Emergency Information Card*," will be permitted to sign out the student. The office will ask for a show of I.D. We also ask that parents come to the office first and do not go directly to your child's classroom.

## **X. Academic Information**

### **A. Academic Standards**

CCS believes in maintaining the highest possible academic standards. This, along with strong parental involvement, small classes, and a commitment to teaching all subjects from a "biblical" perspective, has allowed Cornerstone to continue an educational program of the highest quality.

### **B. Instructional Methodology**

CCS uses several biblically-based curricula as its guiding instructional format for all grade levels. The traditional methodologies, along with the "biblical" integration of subject matter, will ensure that the educational, spiritual, and philosophical goals of Cornerstone will be met.

### **C. Curriculum and Textbooks**

The main resources for teaching material that CCS chooses to use are A Beka and Bob Jones University. We have chosen both for their biblical basis, Christian worldview, academic excellence, and traditional teaching philosophy. Teachers use other resource materials to supplement their teaching.

## **D. Homework Policy**

CCS believes that homework is a valuable part of each child's education. The Homework Policy is as follows:

1. Homework may be used to reinforce or practice important concepts taught during the day.
2. If a student does not finish all his or her classwork, this should be completed at home.
3. Weekly or unit tests such as math, history, language, spelling, phonics, health, science, etc., may require study sheets, which may be assigned as homework.
4. Unit projects may also require work at home in order for a quality of excellence to be maintained.
5. No homework/tests are to be due/given for Thursday. Wednesday evening is to remain open for church activities. Church activities on other nights should be previously coordinated on an individual basis between student and teacher.

## **E. Teacher Responsibilities:**

1. Teachers should give clear instructions to the student about the amount of work, type, and variety of skills to be demonstrated upon the completion of the assignment, the due date, and how grading will occur.
2. A timely response to homework assignments by the teacher ensures that the students will receive essential feedback to allow them success on the next homework assignment.
3. Teachers should coordinate the amount of homework with other teachers in order not to place too much of a burden on students at any one time.

## **F. Student Responsibilities:**

1. Students are to be conscientious about doing their best and handing in homework on time.
2. Late homework without an excuse may result in a reduction in grades.

## **G. Parent Responsibilities:**

1. Parents should help their child(ren) to budget their time effectively in order to ensure timely completion of an assignment.

## **H. Requirements for Graduation**

A Student must have a minimum of 24 credits to graduate from Cornerstone Christian School. A full credit is considered 170 days of instructional time per subject.

CCS will accept one high school credit for each of the three areas (Bible, English, History, and Math) in each of the student's junior and senior years for a total of 8 high school credits accepted. Students wishing to take college courses for dual credit will need to obtain prior approval from the school principal and guidance counselor. Only credits from an accredited college/university will be accepted. Currently, CCS is accepting courses from University of the Cumberlands and Somerset Community College. For available scholarships, students should see the Guidance Counselor. College courses taken for dual credit will be weighted according to the school grading system. A student wishing to partake in dual credit / College courses must have a Composite score of 18 on the ACT prior to being accepted into any dual credit courses. Students wishing to enroll in Math classes must have a score of 22 in Math on the ACT and a score of 18 in English to take English classes. 2. For grades that are taken for high school credit, quality points are assigned as follows in order to determine a grade point average:  
A=4.0 B=3.0 C=2.0 D=1.0 F=0
3. All courses that are taken at Cornerstone Christian School or dual credit courses during the high school years will count toward the student's G.P.A. If a student fails a course and takes it over again, both grades will count toward the student's cumulative GPA.
4. Guide to letters used on report cards.  
F - Is doing failing (unacceptable) work.  
I - Incomplete work - this work becomes an "F" if not made up by the next grading period.  
S - Satisfactory – Meets expected goals.  
N- Needs improvement – Improvement is needed to meet expected goals.

## **L. Academic Honors and Standards**

### **1. Valedictorian Award**

The student with the highest academic standing in the senior class, with a minimum GPA of 3.75, will be designated as class valedictorian. Academic rank will be based on the completion of 15 grading periods of work beginning with the freshman year. At least seven of these grading periods must be completed at CCS.

### **2. Salutatorian Award**

The student with the second highest academic standing in the class, with a minimum GPA of 3.5, will be designated as class Salutatorian. Academic rank will be based on the completion of 15 grading periods of work beginning with the freshman year. At least seven of these grading periods must be completed at CCS.

## **N. Bible Memorization**

Students at CCS will memorize scripture weekly, with opportunities through tests, etc., to reinforce this memorization. Cornerstone Christian School will primarily use the NIV and KJV versions of the Bible for memorization.

In a case where a parent may have a doctrinal objection to a particular version of the Word, they may request in writing the use of another translation (not a paraphrase) by the student for memorization.

## **O. Physical Education**

1. Each student in grades K - 5 will participate in physical education class.
2. Students in grades PK-3 need to wear tennis shoes on P.E. days. Students will not be able to participate unless they have tennis shoes.
3. All students are expected to participate in P.E. class. The P.E. staff will moderate the extent of activity as necessary. Students must bring a note signed and dated by a parent/guardian stating the reason for non-participation. More than one week of non-participation will require a doctor's excuse.

## **P. Field Trips**

Educational field trips enhance learning in the classroom. These trips are part of the curriculum. If a child does not go on a field trip, makeup work could be required. Before each trip, parents will be notified with a permission form of where the students will be going, the arrival and departure times, etc. Parents must sign the permission form and return it to their child's teacher before the child will be permitted to leave the school property. *Phone messages are not acceptable.*

## **Q. Achievement Testing**

Achievement Testing will be given to students K– 12th grade during the fall and spring of each year. No class tests or homework will be given during these tests.

## **R. Special Needs Testing**

If the principal and teacher recommend developmental, behavioral, or special academic evaluation for a student, this must be completed in a timely manner by the parent. Due to the size and educational programs, CCS is unable to offer children with certain special needs the appropriate instructional classes or services. After testing, the student will be re-evaluated.

## **S. Tutorial Help**

CCS may offer tutorial help to students for a fee if staffing becomes available through the efforts of classroom teachers and teacher's aides.

## **T. Retention**

Students who are performing at or above grade level will be promoted to the next grade level.

Pre-K: The decision to promote will be made by the teacher with parental input through conferences.

K – 2<sup>nd</sup> grade: Recommendation of retention will be made by the administration and teacher only after careful evaluation of the child’s performance, ability, social and physical development, and age/grade placement. The student must maintain a 2.0 GPA / C average.

3<sup>rd</sup> - 8<sup>th</sup> grade: Students who fail two or more core subjects (language, social studies, math, science) for the year will be considered for retention. The administration and teachers will evaluate the student’s progress to determine if the student will benefit most by being retained in his/her current grade. The student must maintain a 2.0 GPA / C average.

Failure of two or more classes in any grade will result in retention.

9<sup>th</sup> – 12<sup>th</sup> grade: In high school, to be promoted to the next grade, a student must earn:

1. 6 credits to be a sophomore.
2. 12 credits to be a junior.
3. 18 credits to be a senior.
4. 24 to graduate.

Students who fail to maintain a 2.0 GPA will be placed on academic probation for nine weeks. Students who do not meet the minimum requirements to move to the next grade will be retained in their current grade and must meet a minimum GPA in the first nine weeks of the following school year in order to remain enrolled at CCS. In cases where retention is recommended, parents will be notified of the possibility after the nine-week period.

## **U. Cheating**

Cheating or any form of academic dishonesty will not be tolerated at any grade level. If caught cheating, a zero grade will be given, and the parents will be notified. If the behavior is repeated, the student will again receive a grade of zero and will also be

suspended. If the student or parents continue to be uncooperative with the school, the student will be removed from the school.

## **XI. BEHAVIORAL GUIDELINES**

### **Policy on a “Godly Lifestyle”**

CCS will encourage all parents, staff members, and students to live up to the precepts presented in Colossians 3:1-17: “Since, then, you have been raised with Christ, set your hearts on things above, where Christ is seated at the right hand of God. Set your minds on things above, not on earthly things. For you died, and your life is now hidden with Christ in God. When Christ, who is your life, appears, then you also will appear with him in glory”. “Put to death, therefore, whatever belongs to your earthly nature: sexual immorality, impurity, lust, evil desires, and greed, which is idolatry. Because of these, the wrath of God is coming. You used to walk in these ways, in the life you once lived. But now you must rid yourselves of all such things as these: anger, rage, malice, slander, and filthy language from your lips. Do not lie to each other, since you have taken off your old self with its practices and have put on the new self, which is being renewed in knowledge in the image of its Creator...” “Therefore, as God’s chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness, and patience. Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity” (NIV).

As an evangelical Christian school, we believe that Holy Scripture is the final authority for the faith and practice of the people of God and, thus, for all aspects of the Cornerstone Christian School community. As members of this community, we are committed to living into the fullness of salvation as taught in Scripture, characterized by holy love, reaching into all aspects of our lives, including sexuality.

We affirm that humans are beings created in the image of God, male and female, and are of inestimable worth. We believe that it is only within the context of the covenant of marriage between one man and one woman that the full expression of sexuality is to be experienced and celebrated. This understanding of covenantal marriage, and the practice of celibacy within singleness, are the means by which we may experience a life of full human flourishing while glorifying God and honoring his Word.

A faithful interpretation of Scripture affirms the principle that sexual purity honors God and that all forms of sexual intimacy that occur outside the covenant of heterosexual marriage are sinful distortions of the holiness and beauty for which God intended. We also

understand our responsibility to uphold biblical truth in our belief and practice, but in a way that reflects the grace that holiness produces.

We unashamedly insist that by the grace of God, we are called to live within the biblical boundaries of our sexuality and are empowered to live in obedience to God's will and alignment with His purposes as revealed in Scripture. We do not surrender the biblical standard of sexual purity to the prevailing secular culture, nor the definition of "male" and "female" to mean something more or different than an individual's sex at birth.

Accordingly, Cornerstone Christian School will not recognize, support, or allow individuals or groups whose aim by statement, practice, or intimation is to promote a vision of human sexuality that is contrary to this understanding of biblical teaching. This belief will be supported in our admissions and student retention policies and facilities management. Further, we believe the above affirmations to be consistent with the ancient and historic teaching of Christian scriptures around the world and remain the guiding light for our practice.

## **A. Suspension**

The Principal has, at all times, the authority to suspend a student.

1. The length of suspension will be from one to three days.
2. The reasons for suspension:
  - a. Failure to follow the teacher's instruction.
  - b. Failure to respect the authority of staff.
  - c. Use of illegal drugs, tobacco, or alcohol.
  - d. Any situation which will place the students or staff in a dangerous situation, as determined by the principal.
3. Suspension is not to be instituted for discipline alone. It is the hope of staff members and the board that this time will also be looked upon as:
  - a. A physical time-out from an unmanageable situation.
  - b. A time for renewal of communication between the parents and student about the student's behavior and attitude.
  - c. A time for spiritual renewal and edification as the entire family unit seeks the will of God about this specific situation.

## **B. Expulsion**

A student may be permanently expelled from school at any time when it has been fully determined by the principal, with the consultation of the Board of Directors, that no further correction of the student will provide any positive results or if the student has committed a major offense. The Board of Directors will have the final authority to expel a student.

### **Discipline Categories and Consequences**

Steps for Carrying out the Discipline Policy

1. The teacher warns the student stating the unacceptable behavior.
2. The student is warned again. The teacher will administer a loss of privilege (recess, free time, etc.).
3. The student is taken to the principal and asked to tell what the unacceptable behavior was. The teacher is to fill out an Office Referral Form documenting the behavior. The parents are to receive a copy which is to be signed and returned by the next "school" day. The principal receives the signed copy, which is placed in the student's records. The principal will talk and pray with the student. Emphasis is placed on asking for forgiveness and receiving it immediately. This teaches a basic principle of our loving and forgiving Heavenly Father. The student also asks for and receives forgiveness from his/her teacher and/or an offended student.
4. If the student is taken to the principal a second time, the parent **will** be called and **will** be advised to take the student home for the remainder of the day.
5. If a student misbehaves after being picked up-by the parent, the student will be suspended for one day (up to 3) if the principal deems more days are appropriate. Other acceptable forms of punishment are one (1) day after-school detention. (Fee of \$12 per day due on the day of detention) Depending on the seriousness of the offense, 2-3 days of after-school detention will be given with a charge of \$12 per day due on the day of detention. If the behavior continues, the Principal can suspend the student and or recommend to the Board of Directors that the student be expelled. If a student has been recommended to the Board of Directors for expulsion, that student will not be allowed on campus until the Board of Directors renders their decision.
6. In the event that a student intentionally hurts another student, or staff member, refuses correction, or verbally abuses another student, teacher, or principal, the principal has the right to suspend that student as deemed appropriate and/or recommend to the Board of Directors the student be expelled. At the discretion of the

Principal, he may skip from step one to expulsion during any corrective action he deems necessary.

7. If a student has been suspended on 3 separate occasions, the principal will recommend to the board permanent expulsion.

**Discipline steps:**

Step 1- The student is warned by the teacher in class.

Step 2 – The student is warned a second time, and the teacher will administer a loss of privilege (i.e., recess, free time, etc.)

Step 3 – The student is taken to the Principal’s office, and an Office Referral will be filled out as soon as practicable. The student’s parents will be called for and loss of privilege in step 2 and/or work detail (i.e., trash removal, cleaning the classroom, sweep/mop, etc.)

Step 4 – After school detention with a \$10 fee to be paid on or before the detention. (may be up to 3 days depending on the seriousness of the infraction or frequency of infractions)

Step 5 – The Principal will suspend the student for a minimum of one day (up to 3 days) if behavior/infractions continue after the student is sent home.

Step 6 – Principal recommends the student to the Board of Directors for expulsion.

**WITHDRAWAL/DISMISSAL**

Attendance at Cornerstone Christian School is a privilege, not a right. Any student who does not conform to the standards and regulations of this school may forfeit this privilege. The school may request the withdrawal of any student at any time that, in the opinion of the school, falls under any one or more of the following categories:

- Attitude incompatibility
- Uncooperative spirit
- Rebellion toward discipline
- Chronic complaining
- Sowing discord
- Lack of parental cooperation
- Nonconformity to standards of conduct and grooming
- Chronic unexcused absences or tardiness
- Fighting, stealing, lying, cheating, and open rebellion
- Immoral Conduct as defined by scripture, such as fornication, homosexuality, etc.

The above **WILL NOT BE TOLERATED.**

## **Cyberbullying Policy**

Cyberbullying is bullying that systematically takes place using electronic technology. Electronic technology includes any and all communication devices and equipment such as cell phones, computers, and tablets, as well as communication tools, including social media sites, text messages, chat, and websites. Examples of cyberbullying include but are not limited to mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles. The administration reserves the right to use any disciplinary action up to and including expulsion in such cases. Kentucky law KRS 525.080 includes electronic communications within the definition of harassing communications, a Class B misdemeanor.

## **Bullying Policy**

CCS takes all forms of bullying very seriously and has zero tolerance for any type of bullying. As such, students are encouraged to tell a teacher/staff member if they see any form of bullying. Students can speak to teachers/staff without fear of being punished or identified by their peers as an informant. As Christians, we are called to love others and to look out for those who are weaker (I John 3:17-18). Any communication between teachers and students concerning bullying will be kept confidential to promote free communication about these matters.

## **Explanation of Consequences**

### **Probation:**

Probation will be permitted when a student needs an opportunity to correct a problem. If the problem is not improved in a satisfactory manner, the student may be asked to withdraw from the school.

### **Reasons for Probation:**

1. Disciplinary - Persistent absences (5 unexcused or 20 total, or more), tardies (5 unexcused or more), or not following rules
2. Academic - Not being in good academic standing. Students must maintain a C average in each subject.

Loss of Privilege – No recess, lunch break, free time, etc.

Work detail – Clean classroom(s), desks, sweep/mop, trash removal, etc.

After-school detention – For one (1) hour immediately after school. Parents will be charged \$12 per day.

Suspension – The student is not allowed on school grounds for the duration of the suspension.

Expulsion – The student will not be allowed to return to school for one year after the expulsion

## XII. DRESS CODE

There are three essential principles underlying Cornerstone’s dress code:

1. As a school, the mission of CCS is to educate young men and women. Doing so includes giving them the opportunity to grow in wisdom as to their choices about their personal attire.
2. We further believe that honoring God and our neighbors with modest clothing choices is a biblical imperative (1 Timothy 2:9 ~ 1 Corinthians 10:31-32 ~ Romans 12:10 ~Philippians 2:3-4). Therefore, we restrict student clothing choices to those that are appropriately modest and considerate of the school’s environment.
3. Lastly, the School is a place that intentionally respects and requires serious work; therefore, our clothing must in no way distract from that work but, in fact, suitably reinforce it.

Accordingly, during the school day and for school activities, the school requires that its students wear clothing that is suitable for a work environment and modest, neat, and clean—properly sized and without holes, rips, patches, or frayed/ragged ends.

The following guidelines offer some clarity as to the definitions of “suitable, modest, neat, and clean”:

All students are encouraged to participate in dress-down days. Students are to come to school clean, neatly dressed, and well-groomed. On “dress-down” days, including designated field trips or school events, students are not to wear clothing that is disrespectful or which promotes inappropriate behavior. Examples of inappropriate dress are items that portray martial arts, rude remarks, aggressive characters, and obscene or occult themes.

Jeans must not sag, must fit properly, cannot have holes or frayed edges, and must adhere to all other dress code guidelines. T-shirts with logos, slogans, or designs contradicting Biblical principles are prohibited. All other dress code guidelines are to be observed on dress-down days.

The information on the card includes the name, address, and phone numbers of the parents, the name and phone number of the doctor to be notified, and other information. An Authorization for Medical Treatment Card must be signed and dated. This gives the school permission to administer medical care to the child in case of an emergency.

- First aid treatment will be administered to stop bleeding, restore breathing, or prevent shock or infection.
- Parents will then be notified. If parents cannot be consulted, the physician will be notified to make sure the treatment being given is sufficient or if the child needs to be taken to the Emergency room.

## **Medication Policy - Prescribed and Non-prescribed Drugs**

Students are not to bring any medications to school unless it is absolutely necessary. If a student must bring medication to school, it must be registered in the office, in the original container, with a note from the parent giving permission to the school to administer the medication and indicating the time and dosage. The only exception to this policy is asthma-related medication or insulin. No student, at any time, may be given medication by another student. The only exception to the above policies is

asthma-related medication or insulin. Your child will only be given medication(s) that have been authorized by the parent/guardian on the Authorization to Consent to Medical Treatment Card from the school office.

### **Parties and Holidays**

The students will have class parties during the school year, for which we will need parental assistance with refreshments. Individual teachers will request your attendance if needed to help supervise a class party. CCS is single-minded in the celebration of Christian holidays such as Christmas and Easter. The true meaning of these celebrations is drawn from the birth, death, and resurrection of our Lord Jesus Christ. We ask for the support of our parents in keeping these holidays "Holy Days." Therefore, there is no observance (in the form of food, dress, worksheets, or decorations) within Cornerstone concerning Halloween.

### **Prayer**

We at CCS seek to share with our students the special privilege of praying to the Lord throughout the day. We begin each day with prayer. Students are also encouraged to pray individually for themselves and others.

### **School Hours**

School hours will be determined as traffic flow is considered. Before-School Care (free) is available at a7:15 a.m. We ask that students leave no later than 15 minutes after school dismisses unless they are staying in After School Care (hourly fee begins at 3:30).

### **School Programs**

All students are expected to take part in school programs throughout the year unless prior arrangements have been made. Parents will be notified in advance and are expected to have their child(ren) take part in these school activities.

### **Telephone**

Students will not be allowed to use the school phone except in an emergency. Permission must be given from the office.

### **Visitors**

All visitors, including parents, must register with the office before proceeding to any of the classrooms during a regular school day. A pass will be given to the visitor. Students may receive special permission to have visitors from another school if it is first cleared with their teacher and the principal.

## **XIV. STUDENT ACTIVITIES**

### **Christian Athletics**

The Christian philosophy of athletics must stem directly from the school's Christian philosophy of education. The ultimate goal must be "to be conformed to the image of Jesus Christ", (Rom. 8:29), and to "develop the spiritual part of the athlete so that the Holy Spirit is in control and directing his mind and body," (I Thessalonians 5:23). It is the goal that the athletes develop positive Christ-like character qualities and express them through the avenue of athletics. (4.096-1)

### **Student Athletic Eligibility**

- For Basketball - No student may participate in a scheduled practice or game unless he or she has submitted a physical exam form from his or her physician.
- All athletes must be in good academic standing, with at least a C average in all his/her classes during the current grading period. If a student is not in good academic standing, they will be reviewed every two weeks until they become academically eligible.
- Probation and/or suspension will be the result of unacceptable conduct.
- Athletes must be in attendance the entire school day in order to participate in practice or games. Doctor/dentist's appointments or funerals will be excused.

### **Extracurricular Activities**

**Archery** is for grades 4 through 12. Students do not need to have their own equipment; they are encouraged to use the school's equipment until they are sure this is a sport they enjoy. The cost for archery will include a team shirt, registration fees for tournaments, and equipment fees.

**Basketball** locations and times of practice will be determined after the school year begins.

## **XV. PARENT INFORMATION**

If school is in session, but you feel that the roads are unsafe to travel, please call the school, and your child's absence will be excused and will not be counted against perfect attendance records.

### **Volunteer Service**

All parents are expected to participate in school activities. Your donation of time and ideas are essential to the growth of CCS. Parents wishing to volunteer in areas that involve direct contact with students will need to have a background check completed through the school and will need to be trained in confidentiality.

### **Parent-Teacher Conferences**

CCS believes that it is very important for parents and teachers to work together and communicate effectively. To ensure that this takes place:

- Parents and teachers will have the privilege of meeting together once each semester for Parent/Teacher Conferences to discuss the child's progress.
- Another conference may be needed if a student falls below a C at mid-term in any subject.
- Parents may request a conference with the child's teacher at any time to discuss their child's progress in class.
- Teachers may request a conference with parents at any time, to address issues regarding academics and/or disciplinary progress or lack thereof.

## **Biblical Grievance Policy**

Step-by-step procedure for parents to follow when addressing a problem with a staff member of CCS. In keeping with the spirit of Matthew 18:15-17, below are the verses (KJV) and the steps to be taken:

*v.15 Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: If he shall hear thee, thou has gained thy brother.*

*v.16 But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established.*

*v.17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an "heathen man and a publican."*

**Step 1** - Parents should meet with the staff member in the spirit of love and cooperation. If the problem is not resolved, go to the next step.

**Step 2** - The principal will meet with the parent and staff member. If the problem is not resolved, go to the next step.

**Step 3** - The Chairman of the Personnel Committee will call a meeting with a voting majority of the board, the parent, the staff member, and the principal. In the event a solution cannot be found, go to the next step.

**Step 4** - The parent has the right to present the problem to the full board. This should be presented in writing. We strongly urge parents to follow this procedure. It is our goal to ensure that everyone has the means to be heard fairly without the crippling effect that gossip and rumors can have on your school.

## **Deadlines**

Deadlines are necessary for permission slips for field trips, tuition payments, and numerous other things. We frequently send letters home with students to keep parents abreast of the activities going on at Cornerstone. We expect and appreciate a timely response from parents. These deadlines are set so we may operate the school in a prudent manner. It is not our intention to burden parents. However, the school must also strictly adhere to deadlines and policies.

## **Student Driving Policy**

## **Handbook Amendments**

The Cornerstone Christian School Board of Directors reserves the right to amend this handbook at any time and will inform parents of any changes or additions that are made. Family Educational Rights and Privacy Act (last updated from website 3/25/2012) <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents of minor students or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
  - School officials with legitimate educational interests.
  - Other schools to which a student is transferring.
  - Specified officials for audit or evaluation purposes.
  - Appropriate parties in connection with Tuition Assistance to a student.
  - Organizations conducting certain studies for or on behalf of the school.
  - Accrediting organizations.
  - To comply with a judicial order or lawfully issued subpoena.
  - Appropriate officials in cases of health and safety emergencies; and
  - State and local authorities within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.
